

- **Inert**
- **TSC Sensitive. WIDS compliant; no WiFi, Bluetooth or cell phone capability**
- **Fits most load-out pouches**
- **103dB audible feedback**
- **LED strobe visual feedback**
- **Battery-powered field-replaceable A23 style battery yields 100+ throws without reloading**
- **FindMe™ alarm**

environments utilizing extremely durable urethane materials to provide reliable and repeatable operations for indoor, outdoor, day and night training exercises.

Technical Surveillance Counter Measures were also considered. This device does not receive or transmit electronic data via WiFi, Bluetooth or cell phone.

Visual and audible feedback provides non-kinetic grenade simulation via high-intensity LED strobe and powerful siren, powered by off-the-shelf, field-replaceable, A23 style battery.

Operation is straightforward; hold the grenade, remove pull ring, and throw. 4 seconds later the siren will pulse and LED strobe will flash for 4 seconds. Retrieve the grenade, replace the pull ring, and the grenade is ready for another exercise.

**Specifications \***

**Controls**

**1.25" Pull Ring** Activates / Secures for exercises, storage and transport.

**Spoon** Spring-actuated micro-switch starts / stops micro-controlled timer (fuse simulator) operations.

**Mode of Operation** Releasing the Spoon activates integral micro-controller. After a 4 second initial pause, the internal siren and LED strobe activates for 4 seconds, then pauses for Spoon to be replaced, ready for another exercise.

If Spoon is not replaced, micro-controller initiates FindMe™ mode, executing audible and visual alerts

@ 7 minute intervals to facilitate locating the device.

**ELECTRICAL**

**Power Required** Qty 1, A23 style Miniature Alkaline Battery; nominally 12V 55mAh. Field-replaceable.

**Integral PCBA** Micro-controlled precise timing, over-current and reverse-polarity protection, and battery holder.

**Integral Siren** Typically 103 ±5 dB(A) at 15 Vdc at 24 inches (61 cm) at 25°C.

**Integral LED Strobe**

**MECHANICAL**

**Weight** 148gm, 0.326lb

**Dimensions** 71mm (2.8in) Dia X 106mm (4.2in) High

**Color** Translucent Red body with white spoon. Call for custom colors.

**Warranty** 1yr

**ORDERING INFORMATION**  
FRAGBANG GEN 2™ M67SIMG2

**ACCESSORIES**

- Pull Ring Kit **M67SIMG2 PRing**
- Spoon Kit **M67SIMG2 Spoon**
- Screw Kit **M67SIMG2 Screws**
- Carry Case **M67SIMG2 Case**
- Battery **A23 Battery**

FragBang Gen 2™ is a cost-effective, and multi-operational training aid for today's military, law enforcement and security professionals to practice critical timing, repetitive memory and procedural skills in training sessions where an actual grenade would ordinarily be used.

This training aid is specifically designed to withstand rigorous
